### Public Transport Comments

#### Please provide any comments.

Please do not get rid of the 145 bus to westmorland. My son uses it for school on the wet/cold days of winter or if his bike is out of action. My mother-in-law stays from Hamilton on a regular basis and as she does not drive it is her only form of transport. If it is necessary to cut the service, just use the smaller busses and run a limited timetable - one that would suit school students and older people.

With the new developments going ahead at the top of Westmorland public transport will be utilised more.

So please, keep the 145 bus
