Whole Plan Support/Oppose	
Please select one of the following:	I generally disagree with the activity proposed for the Long-Term Plan.

Whole Plan Comments

Please provide any comments.

I think you should keep the 107 Styx mill or the 108 casebrook, as for me and many others this is only way of transport to get to northlands where we then have to go onto another bus. I use these buses mostly everyday of the year and would be very impractical if you stopped them. And if these isn't going to be another solution bus, how are we meant to get around?
