### Public Transport Comments

#### Please provide any comments.

Please keep the 108 bus through Regents Park to Northlands. My 15 year old son uses this bus regularly as his way of connecting with friends around the city. It would be even better if this bus carried on to the city on one route as there wouldn't have to be a change over at Northlands.

I have a 12 year old also who will be using this bus on a regular basis shortly too.

Please dont disconnect it, our kids need this bus for their independence and to save my petrol and vehicle emissions!
