### Public Transport Options

Public Transport is one of the programmes in the Transport and Urban Development portfolio. For the first year of the Long-Term Plan 2018-28 we are proposing changes to the Public Transport programme as outlined in the **Consultation Document**.(on page 14)

To make comment on the Public Transport proposed changes please complete the selection panel below.

To make comment on the the whole Transport and Urban Development portfolio, please use the tab on the left.

**Please review the options in the Consultation Document and indicate which option you support:** Option 1 – A combination of routes, fares and (targeted) rates changes: small fare and rates increases, reduced Total Mobility subsidy and six routes discontinued.

### Public Transport Comments

#### Please provide any comments.

Please don't discontinue the 107 and 108 routes. If you have to please have an alternative route in place. It is a very large area...Northwood. .bishopdale. .northcote to be without any public transport. How about a three times in the morning and three times in the afternoon service on those routes (107&108). Thank you.
