Re number 120 route Burside - Spreydon

This route is unsatisfactory :

- passengers need to change buses in busy Riccaron Road to go into town
- the bus veers off along Clarence Street , to Barrington Mall which is an unlikely destination for prospective clients

Number 120 route was VERY SATISFACTORY when it traveled to :

1. New Brighton
2. Lyttelton

thus going past the hospital & into town, thence to a worthwhile destination

I am aware that this petition is not well composed, but it is heartfelt.

Margaret Ward, 15 Geelong Place, Burnside, Christchurch 8053
