### Public Transport Options

Public Transport is one of the programmes in the Transport and Urban Development portfolio. For the first year of the Long-Term Plan 2018-28 we are proposing changes to the Public Transport programme as outlined in the **Consultation Document**.(on page 14)

To make comment on the Public Transport proposed changes please complete the selection panel below.

To make comment on the the whole Transport and Urban Development portfolio, please use the tab on the left.

**Please review the options in the Consultation Document and indicate which option you support:** Option 4 – none of the above. (Please provide comment/ideas for an alternative solution)

### Public Transport Comments

#### Please provide any comments.

Do not remove routes without providing an alternative. These buses in Northwood are used by my children to get home from school. Many others have made comments about being dependent on these services. Cycling or car pooling is not an option for everyone. By removing services you are encouraging more private vehicle use.
