### Public Transport Options

Public Transport is one of the programmes in the Transport and Urban Development portfolio. For the first year of the Long-Term Plan 2018-28 we are proposing changes to the Public Transport programme as outlined in the **Consultation Document**. (on page 14)

To make comment on the Public Transport proposed changes please complete the selection panel below.

To make comment on the the whole Transport and Urban Development portfolio, please use the tab on the left.

**Please review the options in the Consultation Document and indicate which option you support:**

Option 4 – none of the above. (Please provide comment/ideas for an alternative solution)

### Public Transport Comments

**Please provide any comments.**

How about combining bus route instead of removing them? Raise the price! But I will not be able to get to work as I can't drive, removing them will do more damage than good. Make the buses more spread apart or something but please don't remove the 108 it's used by so many people in my area, there's no other buses that go even closer to this route
