The work of Environment Canterbury is reported on under six portfolios as outlined in the draft Long-Term Plan document. Our website outlines many of the areas we work in, in more detail. On this form you are asked for feedback on the activity planned under each portfolio as well as on the entire plan and specifically on the Public Transport options. In the comments section under each portfolio, please tell us what you support/don't support about the planned activity, and if there is anything you would like to see more or less of.

Please view our short Consultation Document and full Long-Term Plan supplementary document on [www.ecan.govt.nz](http://www.ecan.govt.nz).

EDINBURGH ST - NEVILLE ST COBHAM ST

Lytle St especially ARE VERY Long Streets  
there is too few bus stops -

for working people  
& all people  
especiall the aging

P.S. THE OLD ROUTE  
WAS better because it including  
Stopping At the PUBLIC HOSPITAL.

But it also never included Enough bus stops  
for Lytleton - EDINBURGH NEVILL or Cobham  
Streets etc

Environment Canterbury  
Regional Council.

14th MARCH 018.

I'm writing this note on behalf of  
hundreds of residents & myself who live in  
the Lower Spreydon area.

Many of us are ageing and unable to drive now.

On the domain Tce side of Cobham St  
Neville St, Domain Tce, Edinburgh St  
there is no handy bus stop to take us  
to our closest shopping centre (Barrington Mall)

From EDINBURGH St it is a 20 to 25 minute  
walk to our closest bus stop in Cobham St.  
On our return it is very hard work  
CARRYING shopping etc for 25 minutes.

We would like to (for you to re-route the  
NUMBER 120 bus to include us as we are  
missing out big time.)

This is just a suggestion -

Y pto.

The number 120 bus on return trip from city could ... continue the entire length of Cobham St.

Drive down Domain Tce, then right into Edinburgh St & then back up into Lytleton St - and then on to its normal route! (it would only take a couple of minutes)

A few extra bus stops would be a real godsend for everyone, including the ageing who wish to remain independant.

(and every one who needs to catch a bus!)

After visiting Megan Woods to-day at 11:30 AM. She suggested that I write to you straight away before the 26th of MARCH.

She could see the need and demand for more bustops in this area.

She said not to forget the Council Plats in Dundee St (off Edinburgh St)

They also need to get to barrington mall and riccarton MALL.

Walking to Cobham St is just too far away.

MEGAN WANTS ME TO LET her know how I get on with my request & what you have to say!

3.

This year (we hope) A NEW Supermarket is  
to be built, corner of Lincoln & Lyttleton Sts.

Also CORNER of Domain Tce & Lincoln rd.  
A LARGE NEW DRS Surgery & Shops.

THEN the residents from Princess Margaret  
Hospital area & down will require more  
bus stops in Lyttleton street also,  
to shop at the New Supermarket etc.  
AND new Doctors....

Please help us - We need more  
bus stops

notless.

Thanking you Very much.  
I'm free to talk to if you wish.

Carol Cooper.

P.S. For working people  
children

& for mums needing the Kindergarten  
in Edinburgh St.

Extra bus stops are truly needed!
