> Hi there

>

> After reading the proposed changes on metro website I disagree with all three options (as all of them discontinue certain routes) where is the option that keeps these routes but changes other factors? Why not increase the fare more on certain routes such as these?

>

> I live in range of the 107 and occasionally use it but I also see numerous school kids and PLENTY of tourists waiting at the bus stop outside willowbank every day. Cutting this route would drastically affect how people get to and from willowbank, making it too expensive for both staff that use it and tourists. How is discontinuing routes especially ones to a known tourist attraction helping raise a good image of Christchurch to the world?

>

> Also I want to add that the ecan website submission process that you label as quickest and easiest is most definitely not and will deter people from having their say.
