Public Transport Options

Public Transport is one of the programmes in the Transport and Urban Development portfolio. For the first year of the Long-Term Plan 2018-28 we are proposing changes to the Public Transport programme as outlined in the **Consultation Document**.(on page 14)

To make comment on the Public Transport proposed changes please complete the selection panel below.

To make comment on the the whole Transport and Urban Development portfolio, please use the tab on the left.

Please review the options in the Consultation Document and indicate which option you support: Option 4 – none of the above. (Please provide comment/ideas for an alternative solution)

Public Transport Comments

Please provide any comments.

I oppose to the 535 bus being cancelled in its entirety. This is the only available public transport for all residents in Rapaki and Cass Bay and is a critical link to Lyttelton and the city (via the 29 bus). I was extremely upset when you previously removed the 29 route from Cass Bay (making us have to exchange in Lyttelton) at the same time you increased the frequency of buses to Rapaki which seemed absurd. We only need to have the option of 2 morning, 2 afternoon and 2 evening buses - not one every hour - no wonder you are losing money on this route. Please do not cancel it but instead reassess the number of buses that come to our community so that we still retain a transportation link to the city. Thank you
