Transport and Urban Development Support/Oppose

See page 13 of the Consultation Document.

Please select one of the following: I generally agree with the activity proposed for Transport and Urban Development.

Transport and Urban Development Comments

Please provide any comments

I think it is important that sustainable cost effective transport systems are in place.

However, Bus Route 145 allows children in the eastern parts of St Martins and Hillsborough to access Cashmere High School.

If bus route 145 is discontinued, a bus must be provided to get our children to Cashmere High School. This must be considered and resolved. Our children must be able to get to school safely, especially in wet months.
