Whole Plan Support/Oppose	
Please select one of the following:	I generally disagree with the activity proposed for the Long-Term Plan.

Whole Plan Comments

Please provide any comments.

Bus routes should not be reduced. These routes are needed by the community, especially the elderly and students who have no other option to get around. I do not support an increase in bus fares. I request that all bus routes and services remain in operation and other funding methods be investigated such as pollution tax, congestion tax or local fuel tax for private vehicles to fund the shortfall to encourage a shift to sustainable transport options.
