### Transport and Urban Development Support/Oppose

See page 13 of the Consultation Document.

**Please select one of the following:** I generally agree with the activity proposed for Transport and Urban Development.

### Transport and Urban Development Comments

#### Please provide any comments

I would like to see the rail lines used more, as follows:

Rolleston to city and Rangiora to city should be established as commuter rail lines, with regular trains in both directions.

I would also like to see the regional train lines used fat more for moving freight, so that heavy transport truck numbers on our roads are reduced.

Thank you
