Yes I am making a LPT submission. I live in Harewood and this is to do with the axing of buses, as per my email. My details are in the email also and due to work and family commitments I do not have time to meet councillors.

Type your enquiry here *	What services are you going to replace the 107 & 108 buses with? My daughter uses these buses to get to work at Northwood & as she has a medical condition, cannot drive, so maybe she will have to Uber/taxi and we can send you the bill for this. You really need to think how to keep this service. Try using the smaller buses & adjust the times the buses run. Thank You.
