I am very concerned about the proposed closure of the route 535 bus from Rapaki to Eastgate. Whilst I understand the difficulties with low-performing routes, this is the only bus that services Rapaki, Cass bay, Corsair bay and west Lyttelton. It is an essential service for people living in these suburbs and I feel that Ecan has a responsibility to ensure that public transport is available to these communities. If the 535 itself is unsustainable, then Ecan must ensure that the other Lyttelton route, serviced by the 28, is extended to include these communities in the way that it was some years ago.
