Cancellation of the 145 bus route from Westmorland to Eastgate is not a good idea.

It may not be profitable, but a vast number of families and children need it to get to school, especially on wet days or when carrying large musical instruments.

Some of the roads from Westmorland to ChCh South Intermediate are a challenge for 11-13 year old and some parents don't allow their children to bike because of (justified) safety concerns.

Even if you shorten the route so it doesn't go past the centre of town?

Come on council, you are supposed to be here for the people.
