Public Transport Comments

Please provide any comments.

I do not wish to see bus routes 107 and 108 discontinued. If these were to be discontinued, it would greatly impact those who are unable to drive, such as the physically impaired or the elderly. I have personally used these bus routes when my car has broken down, to get my son to school.

I cannot comment on the other four bus routes, as I do not live in those areas and do not know what other bus routes are available in these area.
