Public Transport Comments

Please provide any comments.

I am a student at Cashmere High School and this bus is vital for me to go to and from school. I use this service everyday and I have no other option of transport to get me home. Our subdivision is growing everyday and yet you are proposing to take away this crucial service for many families.

As a teenager, I believe that the bus route should change from going from Westmorland to Eastgate but instead go to the bus interchange in town. This would be beneficial to many people as it would be convenient for changing to other lines.
