### Public Transport Options

Public Transport is one of the programmes in the Transport and Urban Development portfolio. For the first year of the Long-Term Plan 2018-28 we are proposing changes to the Public Transport programme as outlined in the **Consultation Document**.(on page 14)

To make comment on the Public Transport proposed changes please complete the selection panel below.

To make comment on the the whole Transport and Urban Development portfolio, please use the tab on the left.

**Please review the options in the Consultation Document and indicate which option you support:** Option 4 – none of the above. (Please provide comment/ideas for an alternative solution)

### Public Transport Comments

#### Please provide any comments.

I am retired and ride the buses with my Gold card. The 535 bus is the only bus I can use to visit my son and grandchildren in Cass Bay. If that service was gone I would not be able to visit. Walking from Lyttelton isn't an option for me. I think it would also be an issue for my grandchildren to get to High School, University or Polytech if there was no bus service.

Please don't shut down the 535 service that I pay for in my rates.
