Re proposed termination of 145 bus

I would like to object to the termination of the 145 bus from Westmoreland to Eastgate

it would be far more useable if it went to the city from Westmoreland as there is no bus from there to the city and as the council is trying to get people back into the city it makes sense to have a bus service that would take you there via Barrington as it goes down Athelston street and stops by the Mall and the Medical centre so you do not have to cross the very busy Barrington street which is important for my husband who is vision impaired

It would also be a great loss to Cashmere High School students
