Public Transport Options

Public Transport is one of the programmes in the Transport and Urban Development portfolio. For the first year of the Long-Term Plan 2018-28 we are proposing changes to the Public Transport programme as outlined in the **Consultation Document**.(on page 14)

To make comment on the Public Transport proposed changes please complete the selection panel below.

To make comment on the the whole Transport and Urban Development portfolio, please use the tab on the left.

Please review the options in the Consultation Document and indicate which option you support: Option 4 – none of the above. (Please provide comment/ideas for an alternative solution)

Public Transport Comments

Please provide any comments.

Hi there

I regularly use the 107 and 108 buses from Casebrook area. I use these Mon - Sat, every day morning and evening. I take the bus to Northlands to transfer and get into town for study. The bus is my only source of transport.

Buses are meant to be provided as a service, not to make a profit. To hear my route will be axed because it is not turning a profit is disgraceful. We have many elderly who take these routes everyday who will not be able to do so. I myself would not be able to make my classes on time should the bus route be removed, or even changed to an hourly bus.

Please keep the 107 and 108 routes as they are, there are MANY people who use them daily including myself.

Warm regards

Kirsty Cameron
