This is about the discontinuation of route 145 up Westmorland was not sure where to submit so have done so on here. This is very shortsighted are area is growing rapidly and my twins start intermediate next year so will be on the bus every day. You can't just stop servicing an area think like a business give us what we will use - what about the elderly. The bus route needs an overhaul - we don't need such a frequent service during non peak times but then I see the bus over flowing at school times with a small bus!! Consult with your community and you could develop a very profitable service that ratepayers would utilize.
