Re Transport and Urban Development.

As a resident of Diana Isaac Retirement Village, we need a bus service close to the village, as 600 people live there. I would like to see the Orbitor stay in Phillipots Road.

With all the road works going on, the bus is essential, even though I drive a car, I use the bus a lot, and am grateful for it.

Freshwater Management.

As a newcomer to Christchurch 3 years ago, I was delighted with the quality of your water. I just hope in future, when it is sorted, we go back to this great tasting water.

Thankyou.

Winice Fiskin, Independent apartment 109, McLeans BLD. Lady Isaac Way, Mairehau, Christchurch.
