### Public Transport Options

Public Transport is one of the programmes in the Transport and Urban Development portfolio. For the first year of the Long-Term Plan 2018-28 we are proposing changes to the Public Transport programme as outlined in the **Consultation Document**.(on page 14)

To make comment on the Public Transport propped changes please complete the selection panel below.

To make comment on the the whole Transport and Urban Development portfolio, please use the tab on the left.

**Please review the options in the Consultation Document and indicate which option you support:** Option 1 – A combination of routes, fares and (targeted) rates changes: small fare and rates increases, reduced Total Mobility subsidy and six routes discontinued.

### Public Transport Comments

#### Please provide any comments.

im very unhappy to hear you are going to cancel the 107 and 108 buses. i am originally from the casebrook/bishopdale area and know alot of elderly in the area rely solely on buses for transportation, a 20 to 30 minute walk to catch a bus is unacceptable especially for the elderly not to mention the school children that also need this service to continue.

your sincerely
