Public Transport Options

Public Transport is one of the programmes in the Transport and Urban Development portfolio. For the first year of the Long-Term Plan 2018-28 we are proposing changes to the Public Transport programme as outlined in the **Consultation Document**.(on page 14)

To make comment on the Public Transport proposed changes please complete the selection panel below.

To make comment on the the whole Transport and Urban Development portfolio, please use the tab on the left.

Please review the options in the Consultation Document and indicate which option you support: Option 4 – none of the above. (Please provide comment/ideas for an alternative solution)

Public Transport Comments

Please provide any comments.

Although I am mostly in agreement with option 1, I am concerned about the discontinuation of route 145 as I believe it is used by many children going to and from Cashmere High, and therefore it would be very missed. Could a school bus service be made so that children from the eastern part of the school's catchment have this option to get to school.
