### Public Transport Options

Public Transport is one of the programmes in the Transport and Urban Development portfolio. For the first year of the Long-Term Plan 2018-28 we are proposing changes to the Public Transport programme as outlined in the **Consultation Document**.(on page 14)

To make comment on the Public Transport proposed changes please complete the selection panel below.

To make comment on the the whole Transport and Urban Development portfolio, please use the tab on the left.

**Please review the options in the Consultation Document and indicate which option you support:** Option 4 – none of the above. (Please provide comment/ideas for an alternative solution)

### Public Transport Comments

#### Please provide any comments.

I submit opposing the proposed discontinuation of the six bus routes in particular routes 107 and 108. Reducing the accessibility of the less independently mobile to a public transportation system is wrong. If there is a better transportation plan going to come out in two years then lets discuss ways to improve the options for all. This decision is short sighted and we expect better of our public service
