### Transport and Urban Development Support/Oppose

See page 13 of the Consultation Document.

**Please select one of the following:** I generally disagree with the activity proposed for Transport and Urban Development.

### Transport and Urban Development Comments

#### Please provide any comments

Please don't take away our 107 bus route, my son uses it daily to get to school. It is too dangerous to bike to St Bedes and if there was no bus he would have to travel by car therefore adding to already congested roads full of drivers with road rage. With the new subdivisions opening up further along GARDINERS and Highsted roads there will be more potential children and passengers to use this public service.
