Bus Route 107

I wish to voice my concern

if this route is to be discontinued.

I have lived at the above address

for 47 years &amp; have used the bus

in this area ever since as I don't

drive, buses in those days went down

Vaguo Rd. After my husband's death

1984, I was working in the city &amp;

used in &amp; out each day, since I

retired I use the bus as it is today

several times a week &amp; as I'm 83

find it well needed to get about

so without a bus handy, I'm not

able to afford a taxi &amp; walking

to Ashlands will be a problem.

I realise some days not a lot

on the bus but some days there are

quite a few.

Hoping you'll take all this into  
account.Yours faithfully  
Margaret Kennedy
