Subject: RE: Please don't ban the 107 i take it home from school [#7329D]

Hello Anne,

Yes please submit to long term plan for public transport.

I need the bus 107 to continue as I take it home from school (Casebrook) most days.

I am too far away to walk so this is my main form of transport.

Regards

Leo Bons

97b Englefield Road

Northwood.
