### Public Transport Comments

#### Please provide any comments.

I do not wish to see the bus services of 107 and 108 discontinued. I support Papanui High School with hosting their international students and this is the bus system used to travel from our home. I also see a lot of our local children using our bus system to get to school. Very soon the development housing a lot of our elderly community residents in Cavendish Road will be operating and I'm sure losing the bus travelling outside their residence will be a massive loss. It would be far to long for them to walk down to the Main North Rd. Please reconsider stopping these bus routes.
