Public Transport Options

Public Transport is one of the programmes in the Transport and Urban Development portfolio. For the first year of the Long-Term Plan 2018-28 we are proposing changes to the Public Transport programme as outlined in the **Consultation Document**.(on page 14)

To make comment on the Public Transport proposed changes please complete the selection panel below.

To make comment on the the whole Transport and Urban Development portfolio, please use the tab on the left.

Please review the options in the Consultation Document and indicate which option you support: Option 4 – none of the above. (Please provide comment/ideas for an alternative solution)

Public Transport Comments

Please provide any comments.

The options above 1, 2 and 3 include "six routes discontinued". Residents at Northwood Villas (Retirement Village off O'Neill Avenue, Northwood) **STRONGLY OPPOSE** the loss of the bus routes 107/108 especially the service with the bus stop conveniently at our gate. We are a community of 63 villas housing elderly ratepayers. The removal of bus routes is contrary to plans to increase public transport. Our residents cannot resort to bicycles! Please rethink this retrograde step.
