Subject: Anonymous User completed Submission on Proposal to Amend the Canterbury Regional Council Flood Protection and Drainage Bylaw 2013

Anonymous User just submitted the survey 'Submission on Proposal to Amend the Canterbury Regional Council Flood Protection and Drainage Bylaw 2013' with the responses below.

Submission on Proposed Amendments to the Canterbury Regional Council Flood Protection and Drainage Bylaw 2013

Please note that this form is only for submissions on the Proposed Amendments to the Canterbury Regional Council Flood Protection and Drainage Bylaw 2013.

Public Information

All information contained in a submission under the Local Government Act 2002, including names and addresses for service, becomes public information. Your information is held and administered by Environment Canterbury in accordance with the Local Government Official Information and Meetings Act 1987 and the Privacy Act 1993. This means that your information may be disclosed to other people who request it in accordance with the terms of these Acts. It is therefore important you let us know if your form includes any information you consider should not be disclosed.

Section 3. Purpose

Do you support or oppose the proposed amendments to the Purpose?

Support

Please explain the reason(s) for your support/opposition and the specific decision you seek from Environment Canterbury.

I support this if all communication between ECAN, the Owners and the Occupiers are well informed before work proceeds.

Section 4. Definition of Terms

4. Defence against water - Do you support or oppose the proposed amendments?

Oppose

Please explain the reason(s) for your support/opposition and the specific decision you seek from Environment Canterbury.

'Deeming Authority' is missing off this list.

4. Erosion protection planting - Do you support or oppose the proposed amendments?

Oppose

Please explain the reason(s) for your support/opposition and the specific decision you seek from Environment Canterbury.

A lot of the Shrubs and Trees are causing more flooding on the land areas as they are blocking the flow of the rivers.

4. Flood protection vegetation - Do you support or oppose the proposed amendments?

Oppose

Please explain the reason(s) for your support/opposition and the specific decision you seek from Environment Canterbury.

A lot of the Shrubs and Trees are causing more flooding on the land areas as they are blocking the flow of the rivers.

Section 5. Activities Requiring Bylaw Authority

5.1 (b) (ii) Do you support or oppose the proposed amendments?

Support

Please explain the reason(s) for your support/opposition and the specific decision you seek from Environment Canterbury.

Support. This should also include the cleaning of planted flood areas. A lot of plant leaves are washed down the rivers when flooding happens.

5.1 (d) Do you support or oppose the proposed amendments?

Oppose

Please explain the reason(s) for your support/opposition and the specific decision you seek from Environment Canterbury.

Oppose. A lot of the land has not been surveyed. Surveying should be done on all properties where ECAN enter. A high percentage of this land has not be maintained by ECAN. The Inhabitant occupier has been maintaining this land for decades.

5.1 Explanation - Do you support or oppose the proposed amendments?

Oppose

Please explain the reason(s) for your support/opposition and the specific decision you seek from Environment Canterbury.

The Inhabitant occupier again has been maintaining this land for decades. The structures should remain.

5.2 (b), 5.2 (c), 5.2 Explanation - Do you support or oppose the proposed amendments?

Oppose

Please explain the reason(s) for your support/opposition and the specific decision you seek from Environment Canterbury.

Inhabitant occupier again has been maintaining this land for decades. If there has not been any issues prior this bylaw there should be no change. Fencing should be also maintained by ECAN. Or again Land Surveyed and ECAN pay for fencing to stop stock.

5.3 (d) (iii) - Do you support or oppose the proposed amendments?

Oppose

Please explain the reason(s) for your support/opposition and the specific decision you seek from Environment Canterbury.

Again land has not be surveyed. Until land has been surveyed by ECAN than this should not be a problem to Occupier.

5.3 (e) (iii) - Do you support or oppose the proposed amendments?

Oppose

Please explain the reason(s) for your support/opposition and the specific decision you seek from Environment Canterbury.

Waste material should be dumped at a waste management plant. Councils should be collecting this rubbish as part of their commitment for the payment of Rates.

5.3 (g) (iii) - Do you support or oppose the proposed amendments?

Oppose

Please explain the reason(s) for your support/opposition and the specific decision you seek from Environment Canterbury.

If the construction or structure was prior this bylaw - than is should remain.

5.3 (h) (i-iii) - Do you support or oppose the proposed amendments?

Oppose

Please explain the reason(s) for your support/opposition and the specific decision you seek from Environment Canterbury.

Support the 7.5 metres but Oppose 20 metres is usually on land owned by the occupier not the government.

Section 5.4 Note - Do you support or oppose the proposed amendments?

Oppose

Please explain the reason(s) for your support/opposition and the specific decision you

seek from Environment Canterbury.

Inhabitant occupier again has been maintaining this land for decades. If there has not been any issues prior this bylaw there should be no change. Planting should be also maintained by ECAN. Or again Land Surveyed and ECAN pay for fencing to stop stock. Planting in this area again should be under the agreement of the landowner/occupier and inhabitant occupier. No one should be given permission with out prior notice to the landowner/occupier and inhabitant occupier.

5.5 - Do you support or oppose the proposed amendments?

Support

Please explain the reason(s) for your support/opposition and the specific decision you seek from Environment Canterbury.

As long as the landowner/occupier and inhabitant occupier are aware of this activity and that it is maintained regularly and protected against stock.

5.5 Note - Do you support or oppose the proposed amendments?

Support

Please explain the reason(s) for your support/opposition and the specific decision you seek from Environment Canterbury.

As long as the landowner/occupier and inhabitant occupier are aware of these going in and that it is maintained and protected against stock etc

5.6 Note - Do you support or oppose the proposed amendments?

Support

Please explain the reason(s) for your support/opposition and the specific decision you seek from Environment Canterbury.

As long as the landowner/occupier and inhabitant occupier are aware of these going in and that it is maintained and protected against stock etc

5.7 (b) - Do you support or oppose the proposed amendments?

Oppose

Please explain the reason(s) for your support/opposition and the specific decision you seek from Environment Canterbury.

Again if the landowner/occupier and inhabitant occupier had these in before the bylaw than they should remain or come to an agreement with ECAN on how to correct the situation.

Section 8 - Applying for an Authority

8.1 (b) - Do you support or oppose the proposed amendments?

Support

Please explain the reason(s) for your support/opposition and the specific decision you seek from Environment Canterbury.

No Answer

8.3 (a), 8.3 (b) - Do you support or oppose the proposed amendments?

Oppose

Please explain the reason(s) for your support/opposition and the specific decision you seek from Environment Canterbury.

Deeming authority should be added to section 4 of this bylaw.

Section 9 - Compliance and Enforcement

9.3 - Do you support or oppose the proposed amendments?

Oppose

Please explain the reason(s) for your support/opposition and the specific decision you seek from Environment Canterbury.

If the situations is prior this bylaw than it should not be a cost to the owner. There should not be any changes against the owner.

No Answer

Please provide a brief comment below.

We have been effected by a neighbour who was given a bylaw to plant on the flood area of the river on adjoining our property. We were not notified and we have been emotionally stressed by the out come and replies from the authorities. This is a disgrace towards Inhabited occupiers of the land for decades prior these bylaws.

Have more to say?
