PE20092218	5/08/2009	5/08/2009	8:00	Event not Substantiated			Unauthorised take/use/diversion	Caller reports that the taking of water from wells at the Blakely Construction quarry property may be unauthorised. Lots 7 & 8 DP 26999. ex Westway site.	1
PE20100585	25/02/2010	25/02/2010	8:00	Event not Substantiated	Written Warning		Dust	Dust from the quarrying, etc	1
PE20100836	16/03/2010	16/03/2010	8:00	Event not Substantiated			Dust	Phoned to say that he has received complaints from the neighbours of Blackstone Quarries Ltd about dust going beyond the boundry. When the dust goes over the boundry, there is potential for the dust to settle on the insulators, which could cause a fire. He also thinks the soil screening plant is closer than 100m from the western boundry.	1
PE20101503	5/05/2010	5/05/2010	8:00	Event not Substantiated			Oil/fuel	Blackstone Quarries and Blakely Contracting, 325 Old West Coast Road, are apparently refueling without an impervious surface underneath in a groundwater protection zone.	1
PE20120747	28/02/2012	28/01/2012	15:30	Event not Substantiated			Dust	Caller advised quarry on Old West Coast Road are depositing to land fill on site such as painted timber and other demolition material. They noticed it 2-3 weeks ago and it has been building up since. They also complained about the dust from vehicle movements at the site which is a problem whenever there is an easterly wind as the surface is not wetted. They requested a follow up call please.	1
PE20122065	2/07/2012	2/07/2012	9:45	Event not Substantiated			Rubbish/waste/offal	Blackstone Quarry is now a municipal waste landfill	1
PE20142768	10/07/2014	10/07/2014	8:00	Event Forwarded to another Agency			Rubbish/waste/offal	Customer called regarding two quarries. The first, Blakeleys Quarry located on Old West Coast Road, not far past the Buchanans Road intersection, was noted as depositing not hard-fill into the quarry. The customer was worried that this included asbestos. The asbestos was being deposited onto land, but near the aquifers. It was mentioned that they have a consent for hard-fill, but the customer was worried about soft-fill materials being deposited. The second quarry mentioned is located at 335 Pound Road, Clifton. It was noted that there are piles of crushed concrete/soil right up against the proeprty boundary with no setback from the fenceline, and no mitigation measures seem to be in place. The customer is wanting to hear back regarding these complaints	1
PE161456	2/09/2015	2/09/2015	10:05	Event not Substantiated	Noted	issue has now been	Rubbish/waste/offal	02/09/15 - 10:07am - The customer called at 1007 in regards to Blakeleys Quarry on Miners Road. They have a large pile of building materials that is now sitting in surface water due to recent rains that could be leaking down into groundwater. The customer would like the water tested as they think it could be polluting the groundwater. Could you please call the customer with the follow up to this complaint and the complaint number? I told them about all the recent news. 2nd complaint received - 02.09.2015 1005 Caller reporting contamination in the water at Blackley Quarry at 394 West Coast Rd. Caller believes they have dug below the water table and would like the water tested TODAY. Caller has been in contact with Nick Smith, TV3 and was in the Press today (link below) and wants action. Caller said today is the best day to test due to the rain. Caller wants a water sample taken and sent to a Lab immediately.	2
PE20144216	10/10/2014	10/10/2014	16:40	Event Forwarded to another Agency			Dust	1640 - Caller rang to report a serious dust complaint being caused by Whinstone and Blakely's quarries on Old West Coast Road. Trucks drive past her property with absolutely no cover and they material has not been damped down. The dust is a constant issue and the callers husband has respiratory issues that are getting worse because of it. She says that someone in the area has video evidence of the dust. She said she cant believe all these trucks can drive down roads where there are rural and residentially zoned homes.	1
