1. Introduction and Apologies

Kevin Brown welcomed everyone to discuss stormwater issues and treatments.

Apologies were received from Zone Committee members, Carly Sluys, Herewini Banks, Councillor Hasson and Councillor Cotter.

2. Addressing Stormwater Issues

2.1 University of Canterbury

A presentation was given titled “Quantifying the Contaminant Retention of Different Media in Raingardens” by University students, Alice Burrell, Kendall Hofland, Daniel Southwood and Toby Way.

A site visit on the University grounds was undertaken to view raingardens, storminators and Stormwater360 Jellyfish Filter systems.

2.2 Christchurch International Airport Ltd

A presentation was given by Christchurch International Airport Ltd staff members, including information on what the company does, its stormwater infrastructure, and compliance and monitoring.

Concluded at 8pm.
