Kia ora Ecan,

I object to the proposal for representation for the 2019 elections.

I believe it is a fundamental pillar of democracy that one person equals one vote.

A pillar that is recognized here in NZ by the NZ Bill of Rights Act 1990 and the Local Electoral Act 2001.

It is our collective responsibility to look after the environment. I grew up in a rural area, and understand personally the inefficiency of living outside of urban centers. I have therefore moved into Christchurch to have a more concentrated and dense footprint on our environment. I did not move into Christchurch to have a vote of around 60% the value had I not moved.

Regards,
