Concerned Canterbury Citizens for Fair Representation

1. This submission is made on behalf of a group of concerned citizens living in Canterbury, from a range of backgrounds.
2. We can be contacted via email at keir.leslie@gmail.com or 027 309 33 22.
3. We wish to be heard.
4. We object to the proposal notified by Environment Canterbury following its Representation Review as the arrangement proposed exceeds the +/- 10% fair representation criteria by a large margin for some proposed wards.
5. As a result, there is in aggregate in the non-CCC areas a representation of 1 Councillor per 38,426 voters compared to 1 Councillor per 47,715 voters in the CCC area.
6. We believe other arrangements considered but not adopted by ECan are more compliant with the +/- 10% fair representation criteria and meet other criteria as well.
