Subject: unfair Ecan proposal
Date: Friday, 28 September 2018 7:42:42 AM

I have been waiting for Ecan to return to a system of democratically elected Councillors.
I object to the proposal for Representation for the 2019 elections.
The power of a vote in Central Christchurch being 40% less than a vote in South
Canterbury is not democratic.
It is past time for full democracy to be returned to us.
