Subject: Review representation for the 2019 elections
Date: Wednesday, 26 September 2018 8:42:18 PM

I object to the proposal for Representation for the 2019 elections.

It is an unbalanced and anti-democratic proposal that greatly over represents rural voters and under represents urban voters.

This representation proposed is so unbalanced that it breaches section 19V(2) of the Local Electoral Act (the +/- 1-% rule) in four out of the seven constituencies.

Thanks
