Dear Ecan,

I object to the proposal for Representation for the 2019 elections. I have been waiting for a long time to see proper democratic rights restored to all Cantabrians regarding Ecan elections and I believe that your current proposal gives greater voice to many rural voters than to urban voters. I want to see fair and equal democratic representation for all of us, as we had before it was removed by Government.

Please reconsider the proposal and restore the status quo, at least for the first election that will set things back to "normal".

Yours sincerely,  
Allan Simpson
