Subject: One person One vote!
Date: Wednesday, 26 September 2018 7:53:00 PM

Attention; Christchurch Councillors,

Obviously some on council are nostalgic for the good old days
of the landed gentry but they are around 200 years behind the times.

All votes are of equal weight and should be treated so. Please show
common sense and sanity

by respecting all votes as equal.

Yours Sincerely

John Fox

Canterbury.
