Subject: Objection to representation review
Date: Wednesday, 26 September 2018 5:12:42 PM

Kia Ora

I would like to object to the representation review that urban voters are under represented with the current allocation of councillors. A vote from a Christchurch person will have much less power than a vote from a South Canterbury person for example.

This appears to be in contradiction to democracy guaranteed by the New Zealand Bill of Rights Act 1990 and Local Electoral Act 2001.

Please reject this review.

Kind Regards

Dan Murphy
