Ecan will raise their fees by 'alittle' when they give give away our water, our natural resource for free except 'alittle' consent fee. You are suppose to be working for CANTERBURY not the bottling plant, giving more and more away! Especially when NONE of the benefits of the sale of our water returns to our shores and you are helping to enable the use of more plastic bottles. You're not working for the environment, the people who elected you, or NZ as a whole. Shame on you all!!
