I am appalled at the 100% increase in the admin. fee charged to swing mooring owners. We are a captive group of individuals who are allowed very little input as to what we are charged for services provided by ECAN. In his summary of a meeting held at Naval Point on 18th February Deputy HM Ian Fox quoted income and expenditure showing a deficit. Unless we are allowed to see the detail of these figures we can make no accurate comment either positive or negative. The question has to be asked why was this situation left to develop to the stage where mooring owners are required to pay this 100% increase in fees. If this were to happen in the private sector heads would roll!
