I oppose the one hundred per cent increase in Swing Mooring fees. A petition of over seven hundred (700) signatures opposing the Harbour Master's Office (HMO) management of moorings has been collected. There are 600 mooring holders in Canterbury. It is available online and the HMO is aware of it. The one hundred percent increase in swing mooring fees is directly or indirectly to cover the HMO legal costs. In an email provided by HMO in response to queries at Naval Point Yacht Club meeting with HMO its total deficit was stated as \$79,571.00. In the High Court litigation by nearly one hundred swing mooring holders against ECAN last year it sought \$76, 489 as security for ECAN's legal costs. The close approximation of the figures is unlikely to be a coincidence. Mooring holders are being asked to finance the cost of complaining.

If you have any additional comments on the Fees and Charges Policy please provide them below.
