Why should we pay for water when the Councils are allowing Foreign companies to come in to NZ and take billions of litres of water for bottling in Belfast Christchurch, for very little cost. This is our most precious commodity in the future. Why did ECAN not become involved before these permits were issued and allowed ??

**I generally support the changes to the existing schedule of fees and charges**

No

**Revenue and Financing Policy**

**I generally support the proposed changes to the Revenue and Financing Policy to amend the land value/land area split for Regional Targeted Pest Management rates**

No

**Please provide any comments below**

The Takamatua Ratepayers Association have been proactive in already establishing a network of traps (40+) and recording GPS and species captured for some time. We do not need ECAN to come in and charge us additional rates on our properties. Trap purchase has also been funded by the TRA.

**I generally support the proposed changes to the Revenue and Financing Policy to create a rating area (including the Port Hills) to support the vision for a pest-free Banks Peninsula**

No

**Please provide any comments below**

NO, I do not support this for the reasons described above
