2. The reasons for making my submission are: *(state in summary the nature of your submission, giving reasons)*

I oppose the application from Fulton Hogan to establish a quarry for the following reasons: _____

Noise: Fulton Hogan plans to have the quarry in operation from 6 am to 6pm each day, including weekends. Noise from the continuous operation of machinery at the quarry during these times will make it difficult to carry out religious practices including meditation. Meditation requires a serene, quiet environment without noise or disturbances. Several programmes take place in the evenings or during the weekends with many people in attendance. All special events are also held at the Samadhi Vihara at the weekends. So having the quarry operating in the evenings or during weekends will have huge negative impact on our community. _____

Dust: Dust can have severe health effects on the elderly and children. Depending on the wind speed and direction, we can have the temple buildings and meditation huts covered with dust and grit, requiring extra cleaning which could be costly. _____

Transport: heavy trucks would be used to transport quarry aggregates out. These will be noisy and disperse dust along the street. The narrow roads in the neighborhood are not suited for such heavy vehicles. _____

3. I wish the consent authority to make the following decision: *(give details, including the general nature of any conditions sought)*

I want the Selwyn District Council and ECAN to DECLINE the application from Fulton Hogan and NOT GRANT consent for a quarry on the site bounded by Dawsons, Curragh, Maddisons and Johns Road. _____

I would like the following conditions imposed if consent is given: _____

Hours of operation: Quarry to work only on weekdays Monday to Friday from 7am to 6pm. Quarry should not be operating during the weekends. Religious programmes and meditation programmes are usually scheduled for the weekends and quarry operations will make it very difficult for us to carry out our normal activities at the temple.

Truck Movements: Reduce truck movements to and from the quarry to 1000 per day. Truck operations to cease between 6pm and 7am in the weekdays. No truck movements to be allowed in the weekend to or from the quarry. _____

Fulton Hogan must ensure that there are no truck movements on Maddisons Road, at any time.
