2. The reasons for making my submission are: (state in summary the nature of your submission, giving reasons)

- Quarrying will harm our local industries:
- Harness racing, organic farming, proposed sport complex
(All affected by dust and contaminates in the air & water)
- Significant increase in vehicle movement on our roads
- increase trucks and damage to roads - noise.
- Our residence will be 'sandwiched' between quarries
- Cumulative effect of dust and noise on residents lives
(When Templeton has a Nor-West or any significant wind, we already hear the brunt of this, added dust caused by the quarry will be quite horrific.
- The absolute dis-regard to the thoughts and feelings of the Templeton and surrounding residents, would they put it in Fendalton or Newvale? I THINK NOT!!

Please attach additional pages if required

3. I wish the consent authority to make the following decision: (give details, including the general nature of any conditions sought)

We do not wish the proposed quarry to proceed so close to our residential area! We have lived in Templeton practically all our lives. We welcome and embraced the Templeton Hospital, we welcome the overland planes, we welcome the train, we welcome the mens & womens prisons, we welcome the Nova Trust Alcoholics Centre, we even welcome the Sex Offenders unit - these have been a part of Templeton for years and we have been quite happy and open minded! However we cannot welcome the Quarry, it is just not acceptable or respectful to the residents of Templeton.

Thankyou,
Lynette Gys Ayers.
