Reasons comment:

I oppose all resource consent applications for the following reasons: The dust effects The noise effects The traffic effects The visual effects The effects on the landscape The effects on the rural character and amenity The effects on the groundwater The effects on surface water The effects on aviation The effects on land stability The cumulative effects The cleanfill effects The consistency with the statutory and planning framework The duration of the activity and hours of operation

Dear Sir/Madam,

I have just made an online submission regarding the Roydon Quarry resource consent application by Fulton Hogan. I believe I incorrectly checked that I am not directly affected, as I thought that checkbox only related to trade competitors. On receiving acknowledgement of my submission I realise it is not only related to trade competitors.

Hence, for the record, and can all parties please be advised that I am **not** a trade competitor and **I am most definitely directly affected by an effect of the subject matter of this application.**

Stephen Bain
