2. The reasons for making my submission are: *(state in summary the nature of your submission, giving reasons)*

I oppose the application from Fulton Hogan to establish a quarry in the land bounded by Dawsons, Maddisons, Curragh and Johns Roads for the following reasons: \_\_\_\_\_

Noise: Fulton Hogan plans to have the quarry is in operation from 6 am to 6pm each day, including weekends. Noise from the continuous operation of machinery at the quarry during these times will make it difficult to carry out religious practices including meditation. Meditation requires a serene, quiet environment without noise or disturbances, which we currently have at Samadhi Vihara.

Several religious and cultural programmes at the Samadhi Vihara take place in the evenings or during the weekends with many people in attendance. So having the quarry operating in the evenings or during weekends will have huge negative impact on our community and deter people from attending such events.

Dust: Dust can have severe health effects on the elderly and children. Depending on the wind speed and direction, we can have the temple buildings and meditation huts covered with dust and grit, requiring extra cleaning which could be costly. \_\_\_\_\_

Transport: Fulton Hogan is proposing to have 1500 truck movements daily, travelling to and from the quarry. Heavy trucks would be used to transport quarry aggregates out. These will be noisy and disperse dust along the neighboring street. The narrow roads in the neighborhood are not suited for such heavy vehicles. \_\_\_\_\_

Water: The quarry would use up water for washing aggregates, for washing trucks and for the foggers for dust suppression. This may have an effect on water quantity and quality. \_\_\_\_\_

3. I wish the consent authority to make the following decision: *(give details, including the general nature of any conditions sought)*

I want the authorities to DECLINE the application from Fulton Hogan and NOT GRANT consent for a quarry on the site bounded by Dawsons, Curragh, Maddisons and Johns Road. \_\_\_\_\_

I would like the following conditions imposed if consent is given: \_\_\_\_\_

Hours of operation: Quarry to operate only on weekdays Monday to Friday from 7am to 6pm. Quarry should not be operating during the weekends or evenings after 6pm as religious programmes and meditation programmes are usually scheduled for the weekends and evenings.

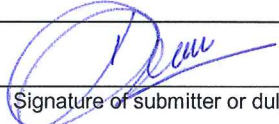

Truck Movements: Reduce truck movements to and from the quarry to 1000 per day. Truck operations must cease between 6pm and 7am in the weekdays. No truck movements to be allowed in the weekend to or from the quarry. \_\_\_\_\_

Fulton Hogan must ensure that there are no truck movements on Maddisons Road, at any time.

Fulton Hogan must ensure monitoring equipment for dust, noise, wind speed, water quality are installed and monitored by independent agencies \_\_\_\_\_
