2. The reasons for making my submission are: (state in summary the nature of your submission, giving reasons)

Our lifestyle block is approx 400m from the proposed quarry. Increased traffic between the proposed quarry and the cement plant in the Rolleston 1 zone, is a serious concern. Jones Rd was not designed to take the traffic it now does, any increase would be intolerable.

Our well is approx 26m deep, we have had no problem with our water supply. As the quarry (proposed) is downstream, our concern is that they may dig through our aquifer and destroy our water supply. In the event of this happening are the quarry operators legally liable to reestablish my water supply?

I moved here to enjoy the country lifestyle and watch my Grand kids ride their ponies this, Quarry does not seem fair.

Please attach additional pages if required

3. I wish the consent authority to make the following decision: (give details, including the general nature of any conditions sought)

What consenting authority would grant consent for a quarry between two of Christchurch's fastest growing suburbs Hornby & Rolleston. Please do not grant this consent.
